## TERMS OF UMPIRE SERVICES CONTRACT

### SCHEDULES

League schedules must be delivered to the Federation, within three weeks of the first scheduled game. Failure to provide the Federation with your schedule within this time frame may affect the availability of our umpires working your games. We will do everything in our power to secure umpires for all your games.

### SCHEDULE CHANGES

Schedule changes requested by League Representatives *may* be subject to an Assignment Fee. Discussions regarding schedule adjustments/fees will be made at our discretion.

### SPECIAL CIRCUMSTANCES:

#### WEATHER

The League must contact the Federation three (3) hours before game time to officially **cancel the game** because of weather. Canceling the game will release the scheduled umpires from their assignments. It is the League's responsibility to notify the Federation for day-of-game cancellations. Email notifications will be sufficient 24 hours in advance. Game Fees still apply.

#### CANCELED GAMES

The League must contact the Federation three (3) hours before game time to officially cancel a game.

#### FORFEITED GAMES

Games forfeited by one or both teams will be considered officiated by the Federation when our umpires are in transit to the field. The plate umpire will be required to send a Forfeit Notification to the President.

#### CONTINUATION GAMES

Continuation games scheduled to be played prior to a previously scheduled game will be charged as follows:

- 1 - 3 innings: 50% Game Fee
- 4 or more innings: 100% Game Fee

#### RULES OF THE GAME

The Federation umpires will officiate baseball games in accordance with league rules.

## **GAME FEES**

Game fees will be provided to the League Representative after confirmation of the submitted game schedule. 100% of the game fee will be invoiced.
